

SPECIAL OFFER: Purchase Room Alert 32E or 32W this month and receive a Light Tower* with Adapter for FREE!

Room Alert® 32_e

Temperature & Environment Monitoring... Made Easy!

* The Light Tower is valued at \$215

Buy A Room Alert 32E or 32W Monitor... Get A Light Tower For FREE!

SPECIAL OFFER While Supplies Last

Room Alert 32E and **32W** are AVTECH's more powerful IT and facilities environment monitors because they offer the greatest capabilities, high sensor capacity, and direct connection of 1-2 **Light Tower** units at a very affordable price... just \$845/\$995. At this time, **AVTECH** is presenting this **VERY SPECIAL OFFER** to you and your organization...

Purchase a **Room Alert 32E** or **32W** monitor now and receive a **FREE Light Tower** and adapter (a \$215 value). That's it, you buy a monitor that you may already need and we'll upgrade the order to include a Light Tower and adapter that will enhance your monitoring and alerting strategy.

This is a great offer on a product that typically enjoys a 100% Return On Investment (ROI) the very first time it alerts about a threatening environmental situation. Mount the Room Alert 32E or 32W at the top of a rack so the internal Temperature Sensor will monitor temperature inside the rack and then mount the Light Tower where it can easily be seen by staff. Then use the other included sensors to monitor other conditions at your facility. This is a perfect solution to monitor a row of racks, computer room, data center, or anywhere monitoring is needed.

Even better, easily monitor all of your Room Alert monitors across the network or worldwide through the web interface of **AVTECH's Device Manager** software, included FREE with every Room Alert monitor.

This special Room Alert 32E/32W is available when you purchase through your favorite reseller or direct from AVTECH. This offer is NOT automatically calculated through AVTECH's online store. Here are IMPORTANT instructions that need to be followed when you order:

CONTACT AVTECH: Call 888.220.6700 / 401.628.1600, email Sales@AVTECH.com or Chat with an AVTECH product specialist and request a quote for a Room Alert 32E/32W and mention this "Special Offer". They'll be happy to take your order by phone or email you a quote that can be paid online immediately or used to generate a purchase order (PO).

CONTACT A RESELLER: Contact your favorite reseller and ask for a quote via this "Room Alert 32E/32W Special Offer". Ask them to contact AVTECH for a quote and we'll pass this special opportunity to them so they can pass it on to you. If you are outside of the U.S.A., we are happy to recommend a reseller in your Country.

BUY ONLINE: Go to AVTECH.com and click "Buy Online" from the top of any page. Once at the AVTECH store (EnvironmentMonitor.com), click on **Environmental Monitors** from the list of "Available Products", located on the left menu. Select **Room Alert 32E** or **Room Alert 32W** and click "Buy Now" then click "Check Out". During check out, enter "**LIGHT TOWER**" in the "Notes" field and we'll add 1 FREE Light Tower at No Additional Charge.
