

Reseller Program

Help Protect Your Customers and Boost Your Profits

Give your customers peace of mind with AVTECH products

Environment issues account for **30%** of all small business downtime. That's right - over one quarter of all outages that cost your clients revenue and customer confidence are caused by environment factors! Are your customers protected?

Why Do Resellers LOVE Selling Room Alert?

- ✓ US Based Technical Support
- ✓ High Quality Brand Reputation
- ✓ Meaningful Customer Engagement

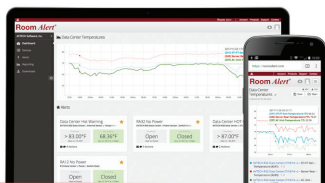

- ✓ Unique Managed Service
- ✓ Disrupt Complacency
- ✓ VAR Enablement

The past few years have been exciting for AVTECH and our valued resellers! We expanded internationally opening our Ireland distribution center, received two product patents, and developed a newly improved Reseller Portal for quick and easy sales with reseller discounts applied.
